Policies of Ponca Schools Governed by Board

Serving his first term as Clerk of the Board of Education is Mr. Owen Cavett.

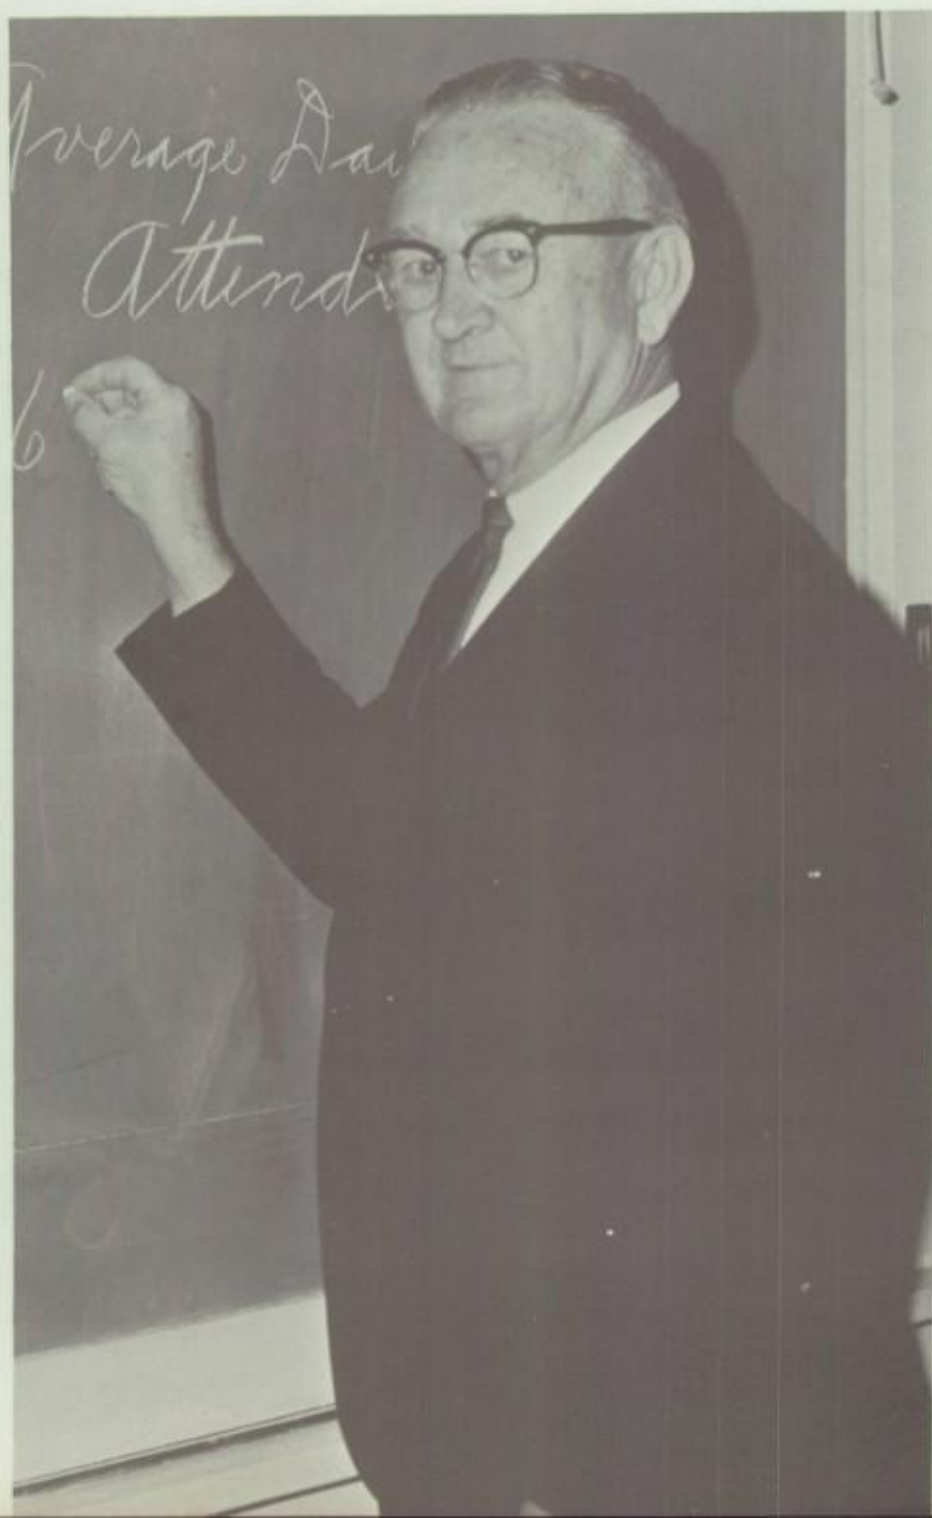

Members of the Board of Education are: BOTTOM row: Mr. Charles Duffy, Mr. Cecil Jordan, Dr. Allen Robson, Mr. Floyd Martin, Mr. Lawrence Dronberger, Mr. R. E. Geren, Mr. Owen Cavett; TOP row: Mr. C. Richard Pitts, Mr. George Page, Mr. O. W. Meyer, Dr. Paul Powell, Mr. Jim Walizer, Dr. Milford Lee.

Governing Ponca City schools, members of the Board of Education are elected according to the city charter. After they are elected, the nine members serve three years. During their term of office the Board members direct the maintenance of the schools, the school budgets, the teachers' salaries, and the construction of new buildings. However, the Board of Education works separately from the city government, serving as the governing body of Ponca City Schools.

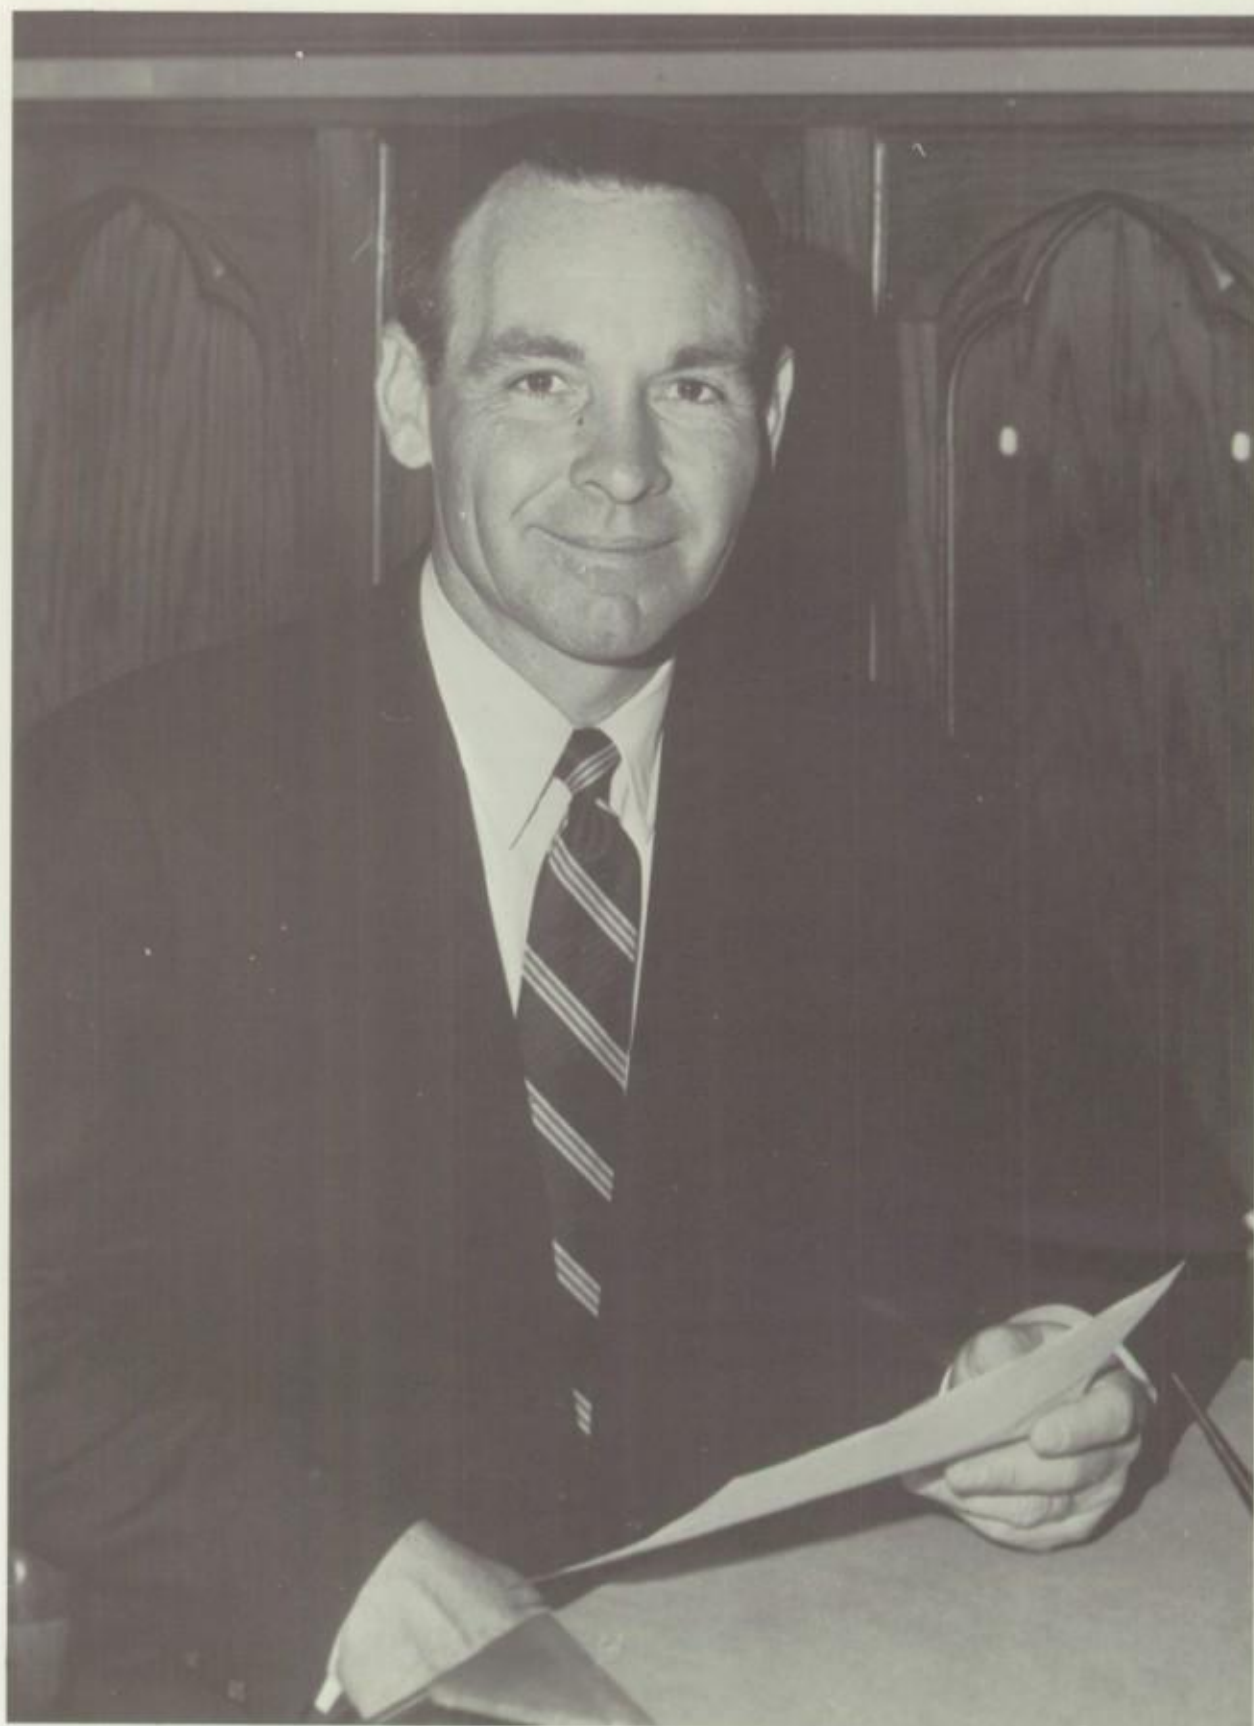

DR. ALLEN ROBSON
Superintendent of Schools

MR. R. E. GEREN, Assistant Superintendent of Schools, notes the average daily attendance in the Ponca City Schools.

MR. ROBERT E. FORD
Principal

Involvement is the key word to Mr. Ford's administration at Po-Hi. Football games, wrestling matches, National Honor Society initiation, Senior Picnic, and other activities occupy an equal share in Mr. Ford's busy schedule. He makes the Po-Hi student his main concern. Total involvement in the students' school life makes Mr. Ford invaluable to Po-Hi.

Mirrored on Mr. Ford's face is a reflection of the spirit found at Po-Hi, one of a very outgoing quality.

MR. TOM WYATT
Assistant Principal

Scholarships and standardized testing occupied most of Mr. Wyatt's time. He also served as senior boys' counselor and department chairman.

MR. DELBERT CARLILE
Assistant Principal

Sophomore boys' counselor, Mr. Delbert Carlile was in charge of the A-building, the parking lot, and supervision of the school custodians. He also served as attendance supervisor.

Mrs. Wittmer, a delegate to the English Teachers conference in Hawaii, dons a "grass" skirt at her homeroom bon voyage party.

"Fie on you," says Mrs. Sally Ritcheson as Cat Tale photographers moved in to take a picture.

Among the requirements for graduation from Po-Hi are included four units of English. This year additional audio-visual devices were employed to supplement English classes. Among these are revised film series and vocabulary-building records.

English students also partook in the study of literature and composition. American and English literature courses covered the areas of drama, poetry, short stories, and novels. Also encompassed was the study of composition. This helped students to become more adroit

in expressing their thoughts on paper.

In addition to the required English classes, elective English department courses can be chosen. These include World Literature, Debate, Journalism, Speech, and Creative Writing.

Humanities Featured Recent and Historical Events

A goal of the Social Studies Department is to acquaint students with facts about current and historical events.

The history courses, American History and World History, give students a background of the development of our world. Current International Problems

is a course for students who are interested in more recent problems.

Other courses available in the Social Studies Department are two pair of companions courses, Psychology with Sociology and Government with Eco-

nomics, then the courses World Geography which deals with the effects the natural resources have upon the peoples of the world.

Term papers and outside reading are requirements for history students.

Computer Programming Updates Math Curriculum

Computer mathematics has been added to this year's math courses to bring Po-Hi's curriculum toward the future. Along with these courses each student is able to choose the right elective for his needs. For graduation two units are necessary for every student. Some of the subjects available in the math department are S.M.S.G. Algebra II, Algebra I and II, Vocational Math, Geometry, Elementary Functions and Matrix Algebra. A companion course that could be chosen is the combination of Trigonometry and Math Analysis.

"Let's make this test a little harder!" agree Mrs. Martha Christensen and Mrs. Mary Schoenwald as they make out next week's geometry test.

Theoretical explorations and investigations in the Science Department have led in a search for the key to the future. Along with this search students enjoyed field trips and science projects which made up a major part of their year's work.

This year the annual insect collections were abandoned as the teachers encouraged the construction of science fair projects. This assignment led to an interesting climax of a Po-Hi Science Fair.

The Science Department offered Biology, Advanced Biology, and Chemistry this year.

Demonstrating to her Advanced Biology Class the technique of making slides is Mrs. Mary Metscher.

Elective Courses Offered Practical Experience

On-the-spot applications of the principles and skills learned in these elective courses helped students to gain valuable practical experience. As electives, these classes gave students the option to choose the area of study which is best-suited for their individual interests and talents.

In this category each of the departments, physical education, drivers education, art, music, foreign languages, and home economics, offered a wide variety of related subjects. They supply both the college-bound and vocational student with valuable skills.

Chuck Gall's shirt serves as an example to Mrs. Lela Cook's clothing students, Vicki Lacey and Darlene Hughes.

Intently conducting the Orchestra is Mr. Pete Long, supervisor of music-education in Ponca City.

Recording the borrowing of library books by Terry Gardner are our two librarians, Mrs. Helga Leiber and Mrs. Mary Webb.

Always ready to offer help, Mr. Harry Brown, Industrial Department Chairman, assists Bill Hall in mechanical drawing class.

Mechanical drawing, machine shop, auto mechanics, and woodwork are the valuable subjects for those pupils interested in the industrial world. Students receive first-hand experience as they work on the problems brought into class.

Understanding of the business world can be obtained through the courses, typing, bookkeeping, shorthand, consumer mathematics, and consumer economics. With the completion of these courses students gain confidence for their future in business.

Vocational agriculture provides boys with practical experience in the farming industry.

Mr. Brown, Industrial Department Chairman, is retiring this year after 31 years of service to Po-Hi. He has served as the Department Chairman since 1955. During Mr. Brown's 31 years of teaching he has taught drafting, woodwork, and printing.

Also retiring this year is Mrs. Mary Louise Cassity, a veteran teacher at Po-Hi with 42 years of service. During her years here she has taught every subject offered in the commercial department, including typing, shorthand, transcription, and bookkeeping. In the 1967-1968 school year she was honored by a listing in the *Who's Who in American Education*.

Po-Hi's counselors are BOTTOM row: Mrs. Ruth Beaubien, Mrs. Barbara Ware, and Mrs. Velma Mitchell; TOP row: Mr. Tom Wyatt, Mr. Delbert Carlile, and Mr. Paul Ingersol.

Conferring at Po-Hi's annual Back-to-School night were counselors, Mr. Delbert Carlile and Mr. Tom Wyatt.

Counselors' Advice Remedies Student Problems

Assisting Rod Christy with his college choice is junior boys' counselor, Mr. Paul Ingersol.

Our counselors render one of the most necessary and helpful services in our school. These six people give much of their time each day to helping students with their problems and questions. In addition to these demanding duties three of our counselors, Mrs. Beaubien, Mr. Ingersol and Mrs. Ware, double as teachers.

The counselors advised students on schedule problems, college requirements and vocational choices.

Disciplinary and personal guidance problems, as well as academic matters, often necessitate a counselor's assistance.

Essential Student Records Kept by Secretaries

Our school's various records and accounts were kept by Po-Hi's secretaries. The main office secretaries, Mrs. Agnes Dunn, Mrs. Adrenne Howell, and Mrs. Betty Sanders worked with schedules

and enrollment files. In the A-building office Mrs. Grace Heffron prepared transcripts and attendance records. Mrs. Vivian Heinze in the Financial Office was in charge of monetary matters.

Activities and picture plans occupied Mrs. Caroline Chambers in the Activity Office. New to our school, Mrs. Peggy Brenneman assisted in various departments.

Consulting on student records were two of our main office secretaries, Mrs. Betty Sanders and Mrs. Adrenne Howell.

Busily at work recording English grades was Mrs. Peggy Brenneman, an instructional aide.

Student Assistants Cure Illness in Infirmary

Two well-supplied infirmaries, under the direction of Mrs. Mitchell and Mrs. Davenport, are located on the second floor in the Howell building and the main floor in the Anderson building.

Student help played a major role in the infirmaries. Each girl was trained to care for minor sicknesses such as colds, headaches, and pre-test jitters.

Infirmiry assistants are: BOTTOM row: Karen Ramsdell, Ruthie Brown, Carol Johnson, and Cathy Waldron; TOP row: Beth Rollins, Sharla Bridges, Mary Edwards, and Wanda Thompson. Not pictured are Linda Tucker and Pam Patrick.

Nourishing Meals Stressed by Cafeteria Workers

Every day our cafeteria, under the direction of newly-appointed Mrs. Rivers, served over 1600 students. Students were given a variety of food from two hot lunch lines and a snack bar.

Each lunch line consisted of meat, meat substitute, soups, salads, vegetables, and pastries. The snack bar offered sandwiches and ice-cream products.

Cafeteria workers are: BOTTOM row: Mabel Lawson, Doris Hicks, Evelyn Guier, Delma Rivers, Charlotte Pitts, and Frances Tipton; MIDDLE row: Myrtle Bodenstein, Jean Watts, Dolores Robinson, Vera Jean Officer, and Dorothy Clarke; TOP row: Juanita Mothes, Doris Townley, Carrie Hendrickson, Irene Russell, and Viola Williams.

Our bus drivers keep their buses in proper condition.

A Po-Hi bus driver begins another day by bringing a group of students to school.

Each day our bus drivers bring rural students to school. Although some of these drivers must drive 43 miles each day before school, they are seldom late. The drivers end the day taking these same students home.

Po-Hi Bus Drivers Work To Insure Prompt Service

Pictured, left to right: R. E. Geren, Assistant Superintendent, who is in charge of transportation and bus drivers, Richard Swords, William Howell, Floyd Howell, Evelyn Howell, Joseph Hamrick, Feliz Merciez, Leo Simmons, Zelma Weaver, Vera Harney, and Lee Harney.

Students Help Secretaries in Keeping School Records

Aiding the secretaries during every class hour each day these volunteers performed many helpful duties.

Main and "A" office workers sorted mail, delivered student messages, and collected attendance slips.

Students in the financial office kept enrollment fees and other financial matters in order.

Extracurricular activities were scheduled by helpers in the activity office.

"A" office assistants are Beverly League, Connie Monson, Marsha Leslie, Patty Dagg, Twylla Tipton, and Janet Davis.

Financial and Activity office assistants are BOTTOM row: Adkins, Rozell, Novotny, Seeligar, Timons; TOP row: Orndorff, Simon, Jarman, Every, Krebs, Monsour.

Bookstore assistants are BOTTOM row: Janet Behar, Paula Johnson, Joy Frost, Linda Bourne; SECOND row: Barbara Endicott, Doug Nickles, Everette Hull, Rusty Ogle, Ron Heldenbrand; TOP row: Roger Sharp.

Under the direction of Mr. Paul Ingersol, the bookstore financed Student Council projects and answered the needs of students.

Open for a short time before and after school as well as during the day, the bookstore provided paper, pencils, pens, books, combs, lifesavers, and many other materials requested by students.

Patronizing the bookstore's lifesavers are Scott Arrendell, Steve Huston and Jim Groves.

Students Receive Needed Materials at Bookstore and Library

Working side by side with the librarians, these assistants aided the students in finding needed books and other works.

This staff worked before school during classes, and after school to assist anyone who might need help. A few of their duties included checking out books, arranging shelves, and processing magazines.

Library assistants are BOTTOM row: Bolene, Goodger, Gordy, Keeler, Eccles; SECOND row: Crawford, Atteberry, Warnaca, King, Fields, Welch, Lieber, Whitesell, Denten; TOP row: Griffith, Littlehoe, Kirkley, Corruth, Tueful, Osborne, Dimick, Rowe, McClung, Doggett.

CAT TALK

With pictures stacked high, ideas running wild, and pencils hurridly sketching layouts, you'd find the 1968 Cat Tale Staff busily at work trying to produce a yearbook with highest quality. The thought and planning that goes into such a book takes many long hours of work. But the result is a book filled with memories which can long be remembered.

Through the cooperation of the editor and staff members they produced a book which continued to show the active life of Po-Hi.

Sponsor Paul Ingersol, Editor Sarah Hatfield, and Associate Editor Kim Hogan give the pages one last check before sending them to the press.

On April 12 Business Manager Joyce Schnitzer and Sports Editor Chuck Gall finally finished their first page.

Thinking up new ideas for the Honor Section are Layout Editor Tina Barry and Copy Editor Alison Warren.

What would the 1968 *Cat Tale* Staff do without photographer Phillip Briscoe?

Po-Hi's newspaper, the *Poncan*, is published under the direction of Miss Virginia Couch and editor Lynn McIntyre. Striving to make each paper interesting and informative to the students is a demanding job.

This year the *Poncan* celebrated its 25th anniversary. During these years high standards in the paper have always been maintained.

The highlight of each year is the Quill and Scroll initiation at the Annual Press Banquet. Both *Poncan* staff and *Cat Tale* members are recognized at this banquet.

Co-editor Sandy Barger and editor Lynn McIntyre persuade sponsor Miss Virginia Couch to accept their layouts.

Intently practicing for an up-coming assembly are various Orchestra members.

Orchestra Strived for Instrumental Perfection

Po-Hi's outstanding Orchestra members started the year with a trip to Oklahoma City to perform before the Oklahoma Music Educators. Later in the year the members made another trip which was to the annual Tri-City Orchestra in Stillwater. At this conference the various Orchestras combined to present a concert in the late afternoon.

Each year orchestra members make auditions for the All State Orchestra. A group of judges from all over the state chose the most outstanding players. This year All State members were: Connie Aitken, Diane Berger, Jill Cowan, Nicki Creech, Mary Crowder, Larry Engle, Marilyn Fuller, Marsha Leslie, Georgia Martin, Prilda Watson, and

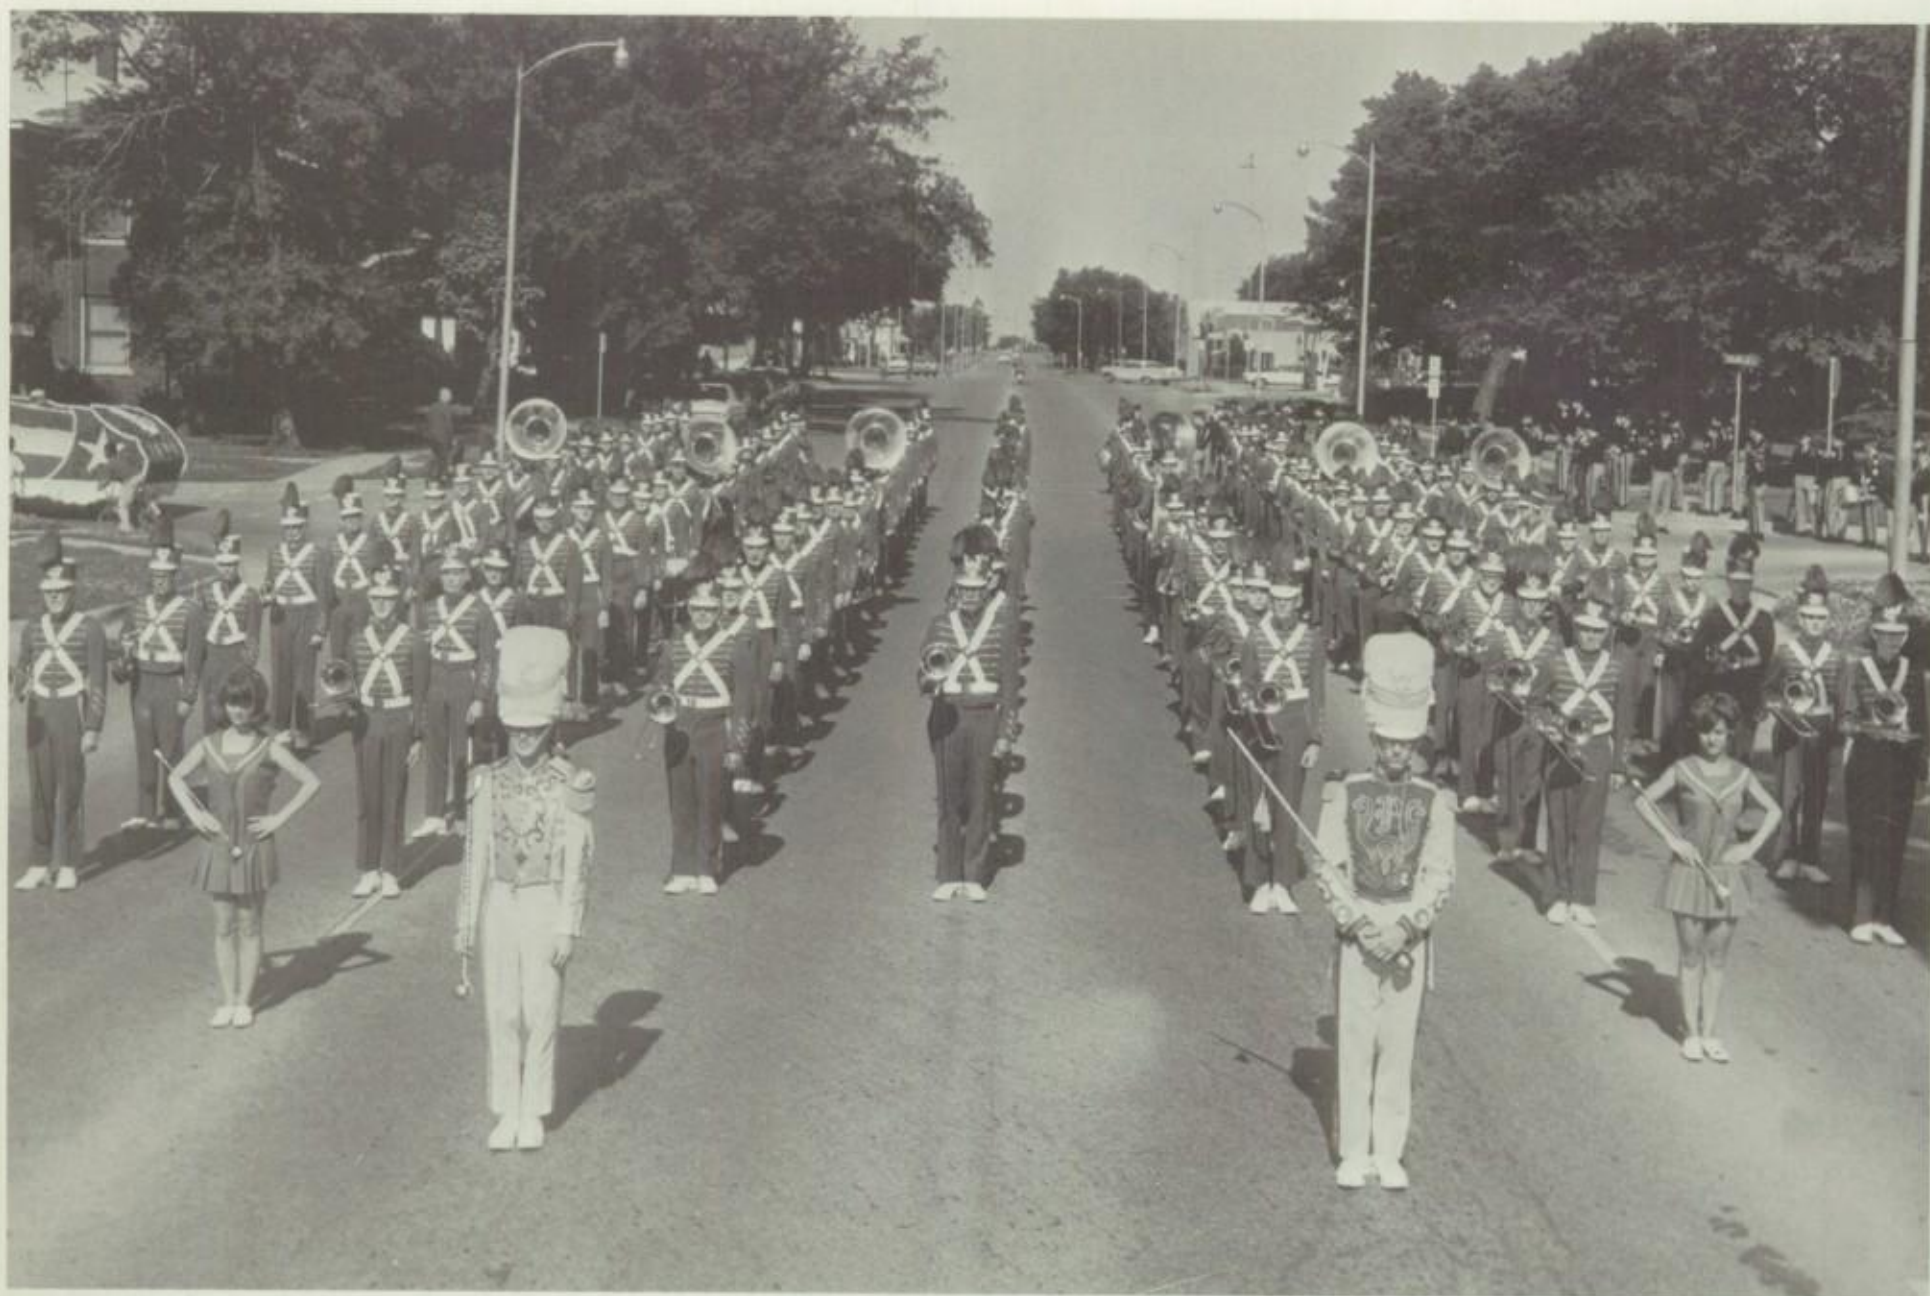

Mary Welch.

This year's Orchestra was very proud of Mary Crowder who played in a Nation-Wide Symphony Orchestra during May.

New Leadership Initiated Dance Step into Routine

One, two, cha-cha-cha resounded through the field as the Big Blue set out on their new routines. Under the new leadership of Mr. Don Leavitt, the Big Blue thrilled their audiences with a new look at every home football game this year.

"A Tribute to Oklahoma and Okla-

homa Colleges" was performed at the last home game. Their first selection was "Oklahoma" followed by "Ride 'Em Cowboys" to honor O.S.U. Next they paid tribute to O.U. as they played "Boomer Sooner." The performance ended as they marched off the field to

the "Wildcat Victory Song."

Showing off their march-skill the band climaxed the year with a four day trip to the World's Fair in San Antonio, Texas. This trip was made possible by selling fruit cakes and the annual coke sale drive.

Band Officers this year were Jo Corporon, Kathy Maxwell, Debbie Braden, Connie Smith; Kevin Freele, Jim White, Max Mayse, Phil McWhorter, Mike Ellis, Walter Zabriskie, and Lee Kilpatrick.

Mr. Leavitt, the new band director, leads the Big Blue in a Wildcat victory song.

One of the many festivities of the Hemis-fair was this Spanish band playing in one of the pavilions.

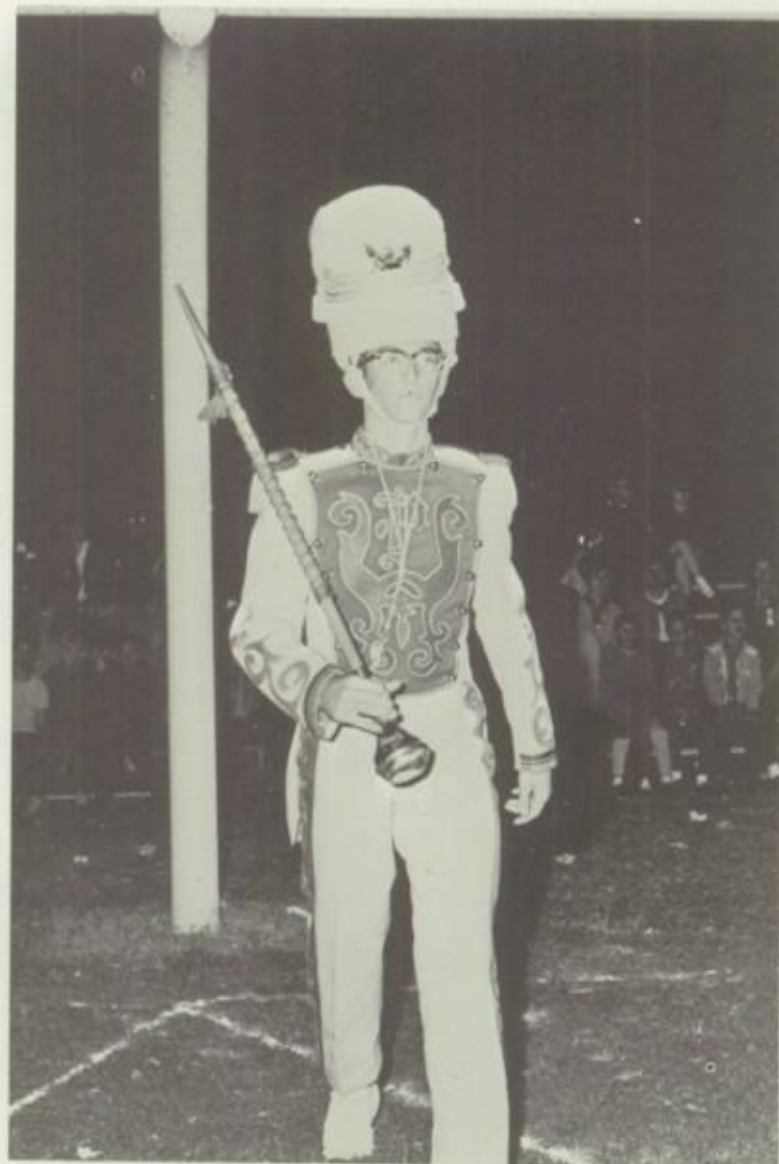

Besides playing instruments, Phil McWhorter and Max Mayse join in yelling with the crowd, too.

Drum Majors, Twirlers Lead Big Blue to Success

Drum Major Phil McWhorter directs the invocation played by the Big Blue.

Mike Ellis leads a counter-march formation during a half time performance.

Twirlers Lynn Silvy, Jo Hunter, and Diane Zahradnik sparkled through all the football games as a main highlight.

Drill Team strives for precision as they practice their half-time performances.

As each girl stepped into place, marked time, then shouldered her gun, the Drill Team, known as The Poncadettes, showed their ability to perform ably for half-time spectators.

The Drill Team, consisting of 53 members, sponsored by Mrs. Moore, spent many long hours in preparation for the drills which their audiences viewed.

Seniors Margo McGee, Teresa Beale, and Darlene Hughes seem to get a big charge out of practicing drills.

Drill Team Provided Performances for Spectators

The entire squad was present at every home game and a large number helped to boost morale by representing PO-HI at each out of town game. Filled with enthusiasm, excitement, and school spirit, the dynamiters helped by encouraging the Wildcats on to victory.

Junior dynamiters exemplify the spirit of their class.

Po-Hi Students Present "25 Years of Panic"

"*Twenty-Five Years of Panic*" was the theme of this year's Pon-Dram Panic.

The Panic was presented by the students of Ponca City Senior High School under the direction of a student board.

Any student at Po-Hi was eligible to participate by creating an act and presenting it at tryouts. Student talent and initiative were developed as final preparations and selections were made.

The preparation of homeroom skits gave evidence of group originality, cooperation, and school spirit.

The Panic gave the students an opportunity to make a contribution to high school life through a student activity.

Student directors, Charlesetta Tucker and Jaclyn DeJarnette introduce the upcoming acts of "25 Years of Panic."

Ballet bunny Everetté Hull displays his grace while prima ballerina Chuck Gall awaits his chance.

Beverly Betow and Linda Bourne do a "soft flipper" dance to "By the Sea."

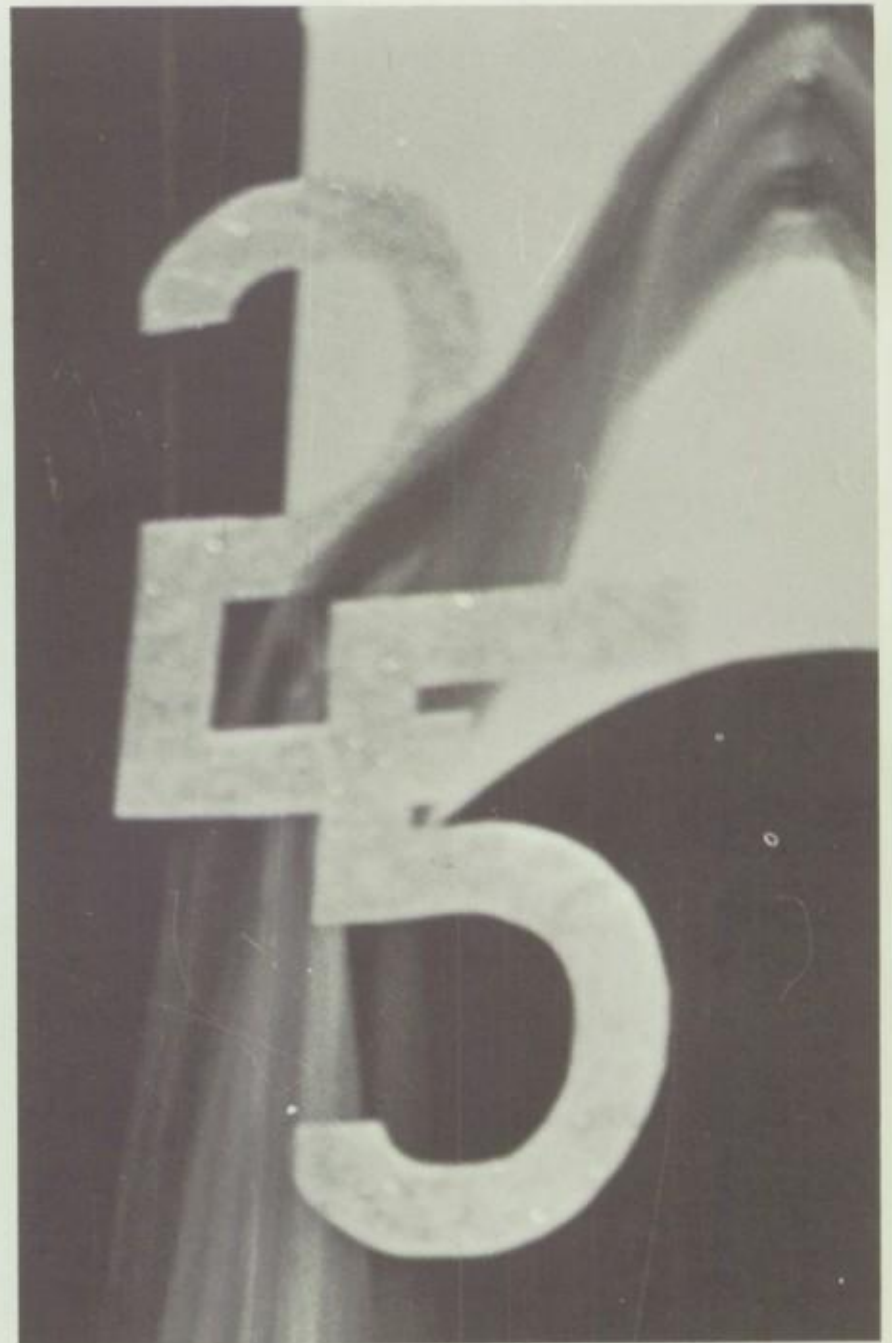

Members of Mrs. Ritcheson's sophomore homeroom present the winning homeroom Panic skit.

Machine gun McNeese, Babyface Gillespie and Gun Moll Morris scare the crowd with their antics.

Tina Barry, Cheryl Cross and Sharon Holcomb ask the musical question, "How ya gonna keep 'em down on the farm?"

The theme for this year's Panic was "25 Years of Panic."

Chris and Vince Gain New Friends and Experience

Sisters Chris and Denise share the fun of the wildcat relays with a friend, Joyce Schnitzer.

Vince takes an active part as a semi-finalist in the ping-pong tournaments.

*"It speaks, hear it whisper love
day and night, place of beauty . . .
a home far from home.
It binds, see it bind happiness
in its unending curve
Memories locked in my class ring."*

The above poem was written by Christine Gillespie, AFS student from Mangaweka, New Zealand. She stayed in the home of Mr. and Mrs. Claude Tapp with her American sister, Denise.

Vincenzo Bonicelli from Bologna, Italy found a new family with Mr. and Mrs. Warren Woods and Doug. Vince's greatest obstacle to overcome was the language barrier.

Due to the efforts of the AFS club, two exchange students were designated to Ponca City. The club presented class rings to Chris and Vince as Christmas presents.

Vince's smile has won for him many lasting friendships.

Christine makes a new friend by stopping in the hall to talk to Gary Sole.

Po-Hi's Model Rocketry Club was in its first year under the supervision of Mr. Gordon Grant. The club shot its rockets at 7:30 on Saturday mornings. The Model Rocketers were always safety conscious and operated under the strictest specifications.

The rockets weigh from $1/8$ to 8 ounces. They develop up to 3 pounds

of thrust. They travel at speeds up to 500 miles an hour and reach heights of 2000 feet. Their premanufactured engines are ignited electrically and the rockets are recovered by parachute. The rockets are made of paper and balsa wood. They can be made with up to three stages or with clusters of three engines.

Nine-Two Record Earns Fighting Wildcats Berth

"Whereas, that when said Fighting Wildcats beat Will Rogers High School ... they will become Champions of the Oklahoma Seven Conference; and ... November 3, 1967, is hereby designated as and proclaimed to be Fighting Wildcat Day."

The above is taken from Mayor C. D. Hull's Proclamation in honor of the PO-HI Wildcats.

Having been picked to finish last in the conference by opposing coaches, the Wildcats were under constant pressure all season and each conference game was a "must win."

In the opening game against Enid, the Wildcats showed great potential but suffered a 12-0 loss.

Against Stillwater the Wildcats displayed a massive offensive attack as they were led by halfback Eddie Eberhard to a 34-26 victory. Eberhard rushed for 190 yards, 4 touchdowns, and two two-point conversions and was voted Back of the Week for his outstanding efforts.

Bartlesville was the Wildcats' first real conference challenge. In the closing minutes Mark Driscoll throwing a pass from his halfback position, hit Phil Luis for an 87 yard touchdown to win the game.

Tulsa Hale was the Wildcats' greatest rival for the conference crown. Behind the inspired play of linebacker Mark Driscoll, who was awarded the honor of Lineman of the Week, the Wildcats displayed their best spirit of the season, before more than a capacity crowd. With their backs to the goal line, the defense held off the Rangers time after time to post a 14-8 victory.

Several of the Wildcats were rewarded for their fine performances by receiving All-Conference recognition. These boys were: Bobby Jack, Eddie Eberhard, Everette Hull, Phil Luis, Ronnie Clark, Gary Theobald, Lyles Trussel, and Kenny Ladner. Gene Adams and Danny Lamson received Honorable Mention. Mark Driscoll was selected to the All-State Team.

in Post Season Play

A holding penalty nullified this 23 yard touchdown run by Ed Eberhard against Tulsa Washington.

All-Conference split-end Phil Luis grabs one of the many passes thrown his direction, while Everette Hull looks for a man to block.

All-State linebacker Mark Driscoll stops an Edison Eagle while Rod Christy (11) and Ersel Holder (85) prepare to help.

A block by Bobby Jack springs All-Conference halfback Ed Eberhard who shows the desire that made him an outstanding back in Oklahoma Seven Conference.

Hard Work Earns Young 'Cats Valuable Experience

Hard work was the key to the 1968 Wildcat "B" team. While the young Cats did not have an impressive record they gained valuable experience for next year.

The "B" teams posted five wins

against six losses and a tie over a hard schedule. At times the team looked impressive in their victories but could not keep a victory string going. These sophomores will provide a strong basis for next year's varsity team.

Thrilling Upsets Highlighted Basketball Season

Spirit and desire were displayed by the Wildcats as they played the role of the spoiler in the Conference this year.

After being defeated by Muskogee on the Roughers' home court, the Wildcats were seeking revenge here at Ponca City. Playing inspired basketball, the Wildcats tied the score as the buzzer sounded to end the game. The Cats

went on to defeat Muskogee in overtime.

During the week of January 23, the Wildcats faced two highly ranked teams. On Tuesday of that week the Wildcats knocked off No. 2 ranked Tulsa Rogers here at home. Again playing on their home court on Friday, the Cats defeated Bartlesville College. Bobby Jack was

named Player of the Week for his outstanding play.

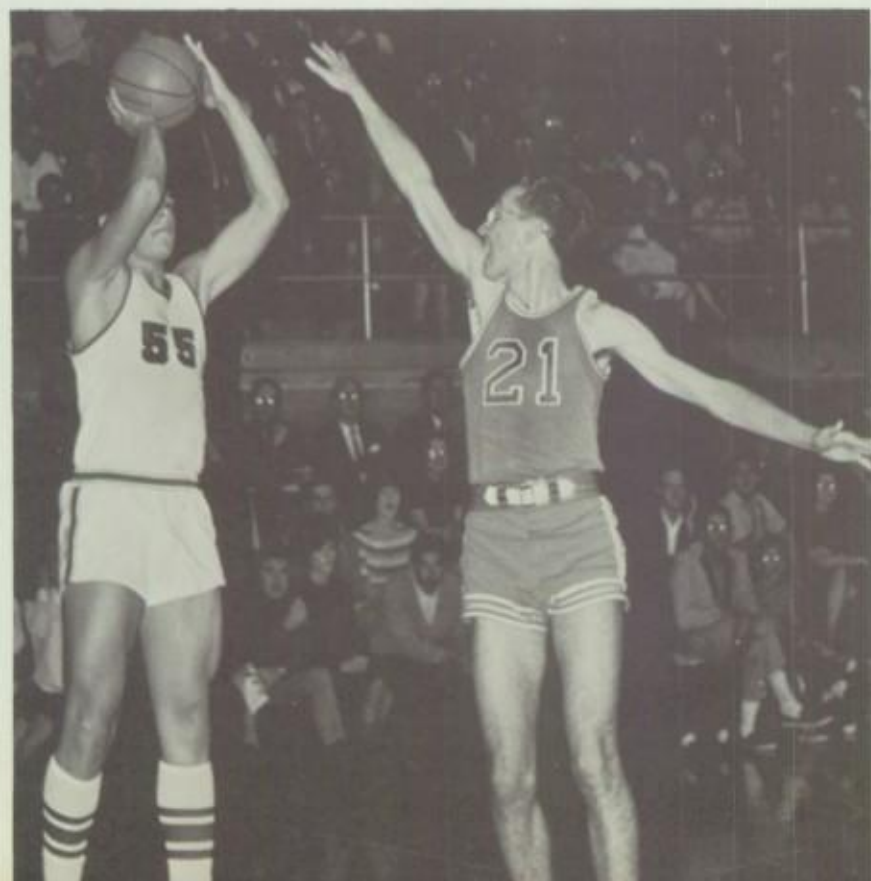

The Cats completed their season by playing in the Regional at Bartlesville. They won their first game against Tulsa East Central before being eliminated.

Bobby Jack, who carried a 20.8 scoring average throughout the season, was selected to the All-State team.

Tragedy Mars Po-Hi's Promising Wrestling Season

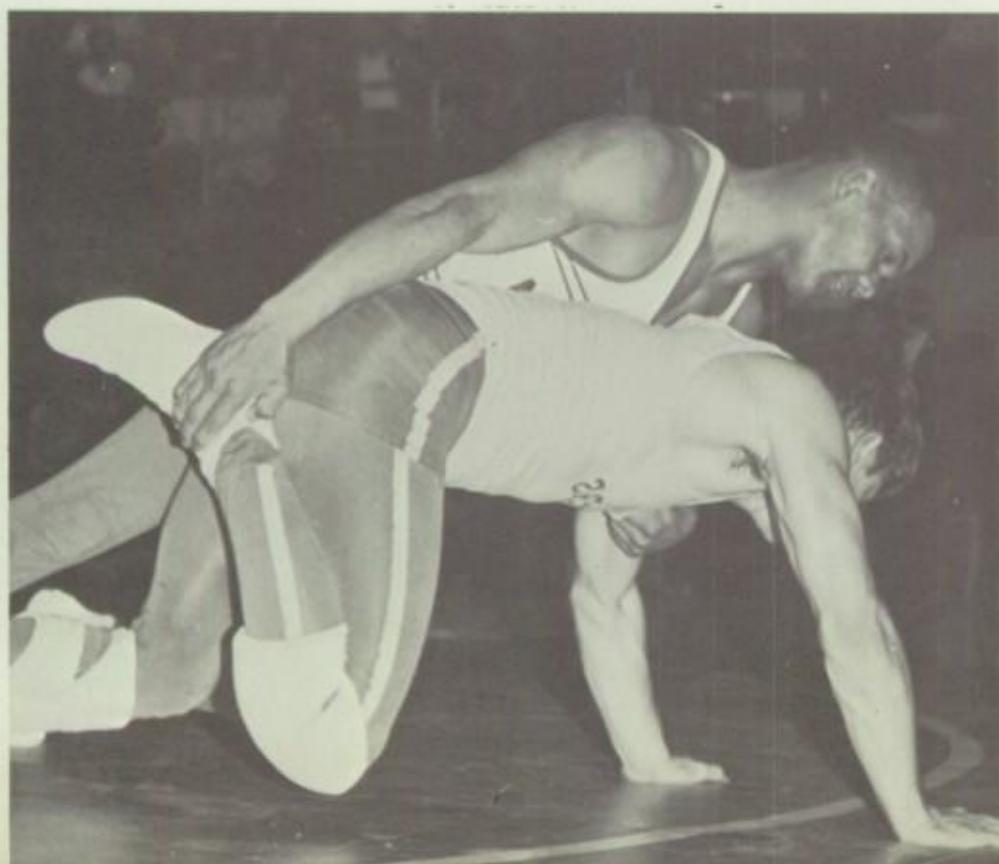

Despite the tragedy that befell the 1968 wrestling squad the team held together and showed a fine 6-6 record. In addition three team members advanced to the state tournament, Steve Ealick, Nate Phillips and Mark Yerkes. Yerkes and Phillips both placed fourth statewide.

The season started strong with three consecutive victories, but the injury of three outstanding wrestlers in a traffic accident slowed the team's pace. Heavyweight Terry Cook, 115-pounder Mike Davis and 123 pound Steve Ellenwood were unable to complete the season after the early January accident.

The 1968 wrestlers worked well and continued Ponca City's winning tradition in wrestling. The team as a whole deserves much credit for a fine effort despite the many adversities they had to face.

On January 11, 1968 a traffic accident took the life of Po-Hi's wrestling coach, Mr. Ted Pierce. Mr. Pierce had been involved with wrestling for many years. In high school he had been a state champion. After high school he continued his education at Oklahoma State University, where he was Big Eight Conference Champion and placed fourth in the nation in his weight. After graduation Pierce took over the assistant coaching position for Po-Hi wrestling. He continued as head coach from 1963 until his death. The untimely death of Coach Pierce was not only a loss to the wrestling program but a loss to each and every member of Ponca City High School.

Cross Country Team Strives for Physical Fitness

The Cross Country Team completed its season with a less impressive record than the previous teams since the sport started five years ago. However, the boys that participated benefited as much from the sport as have the runners from

past years.

Members of the team worked hard and gave as much energy to win as any of our teams in past years and therefore, in this regard, the season was a successful one.

Team co-captains Phillip Briscoe and Ted Combest work hard to get in shape.

Lack of Returning Lettermen Hampers Tracksters

Without the aid of returning lettermen, Po-Hi's track team was not as successful as some in previous seasons. The thin-clads made a good showing in some dual meets and took first in the Kay County meet. The team voted the honor

of receiving the James Johnson Memorial Trophy to David Williams, the team's outstanding two-miler. All the boys worked hard and Coach Stangeland feels next year's team will be more successful.

throughout the entire season. Also Leming came up with several new coaching techniques. This year's team was dominated by juniors and sophomores, these same boys show a bright future for next year's team.

Team highlights were plentiful on the 1967-1968 Boys' Tennis Team. Out of twenty dual matches the team won eighteen. In the Oklahoma Seven Conference all singles and doubles reached the finals.

Number one and two man were finalists in the State AA Tournament. Two doubles teams reached the semi-finals. Four Wildcat trophies were added to Po-Hi as a result of State.

To win State is the 1969 team's goal, for no Seniors were on this year's team.

Very outstanding individual highlights were also apparent on this year's team. Daryl Hess, number one player, won twenty-four matches, lost seven. Phil Landauer, number two player, won twenty-eight matches, lost five. Bruce Barger, number three player, won nineteen matches, lost four. Larry Randall, number four player, won nineteen matches, lost four. Owen Palmer, number five player, won twelve matches, lost ten. Bob Blubaugh, number six player, won eight matches, lost eight.

The girls' tennis team was less active this year. They played only one dual match and played in two tournaments.

Caught in mid-air Bill Roach shows his flip form during a dual meet.

Leading the team this year were girl's captain Barbara Endicott, Coach Dewey Runyan, boy's captain Tom Muchmore, and Coach Ralph Chesser.

Tough Endurance Sport Proves

Members of the boys' team were: BOTTOM row: Jim Albright, Blaine Talbot, John Anderson, Jerry Carter, Bill Roach, Glenn Sanders, Paul Butt. TOP row: Coach Dewey Runyan, Tom Muchmore, Carl Peterson, Doug Cooper, Mike Mooney, Tom Nelson, Steve Kirk, Ed Scovil, and Coach Ralph Chesser.

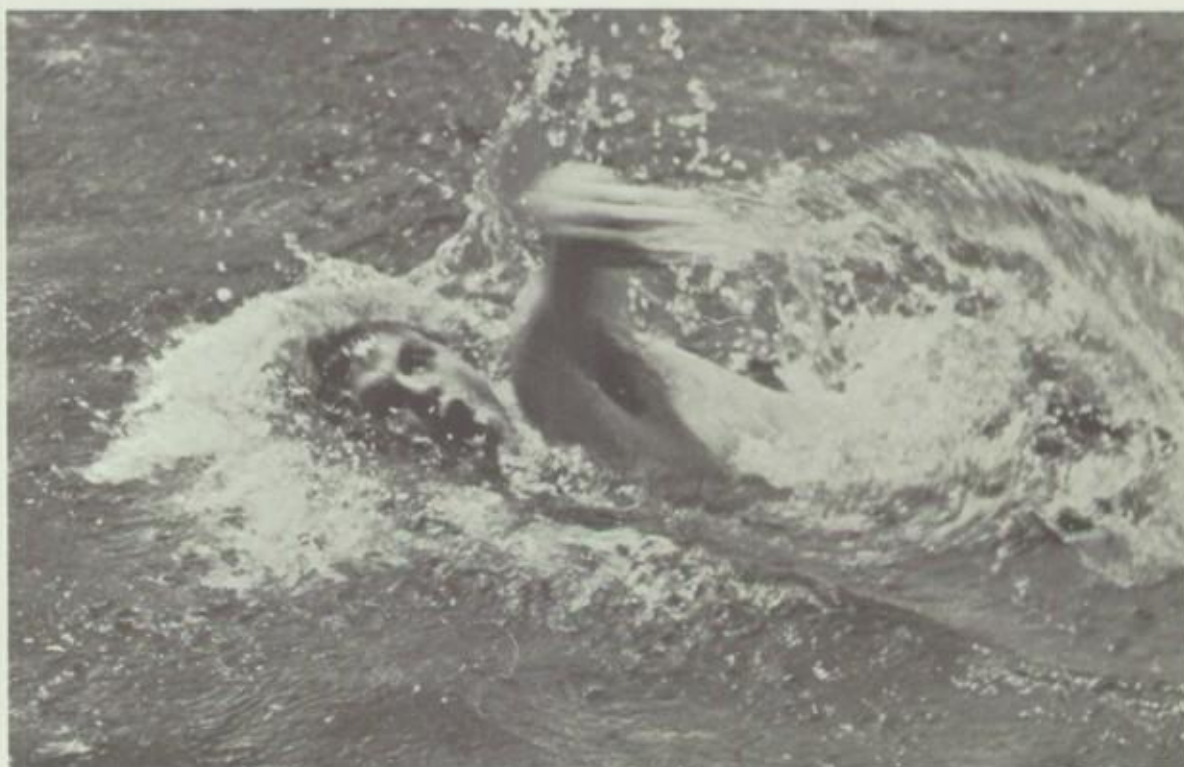

Junior Terri Butt aided the team by capturing the state crown in the Girl's 100 yard backstroke.

Working an hour and a half each day throughout the year, swimming has proved itself to be a tough individual sport. A sport which doesn't draw great crowds, swimming gives a feeling of individual achievement.

The girls' team placed third in the state meet with Terri Butt placing first in the 100 yard backstroke, the girls capturing first in the 200 yard medley relay and fourth in the 200 free relay. Kathy Hughes placed third in 50 fly while Jo Corporon was sixth in 50 free.

The boys didn't place as well in state competition as they had hoped, however, Doug Cooper placed fourth in 100 yard breaststroke while Tom Muchmore captured sixth in the 100 yard free. They ranked sixth in the 400 yard free relay.

Competing in different pools causes very little change, except a small range of air and water temperature. A swimmer's main goal is striving to better standing records against the most impartial of judges, the clock.

Showing his winning form is Senior freestyler, Tom Nelson.

to Be Swimming

Members of the girls team were: BOTTOM row: Debbie Roller, Terri Butt, Barbara Endicott, Janice Rowe, Jo Corporon; TOP row: Coach Dewey Runyan, Marsha Dick, Kathy Hughes, Martha Hundley, Nancy Goodenow, and Coach Ralph Chesser.

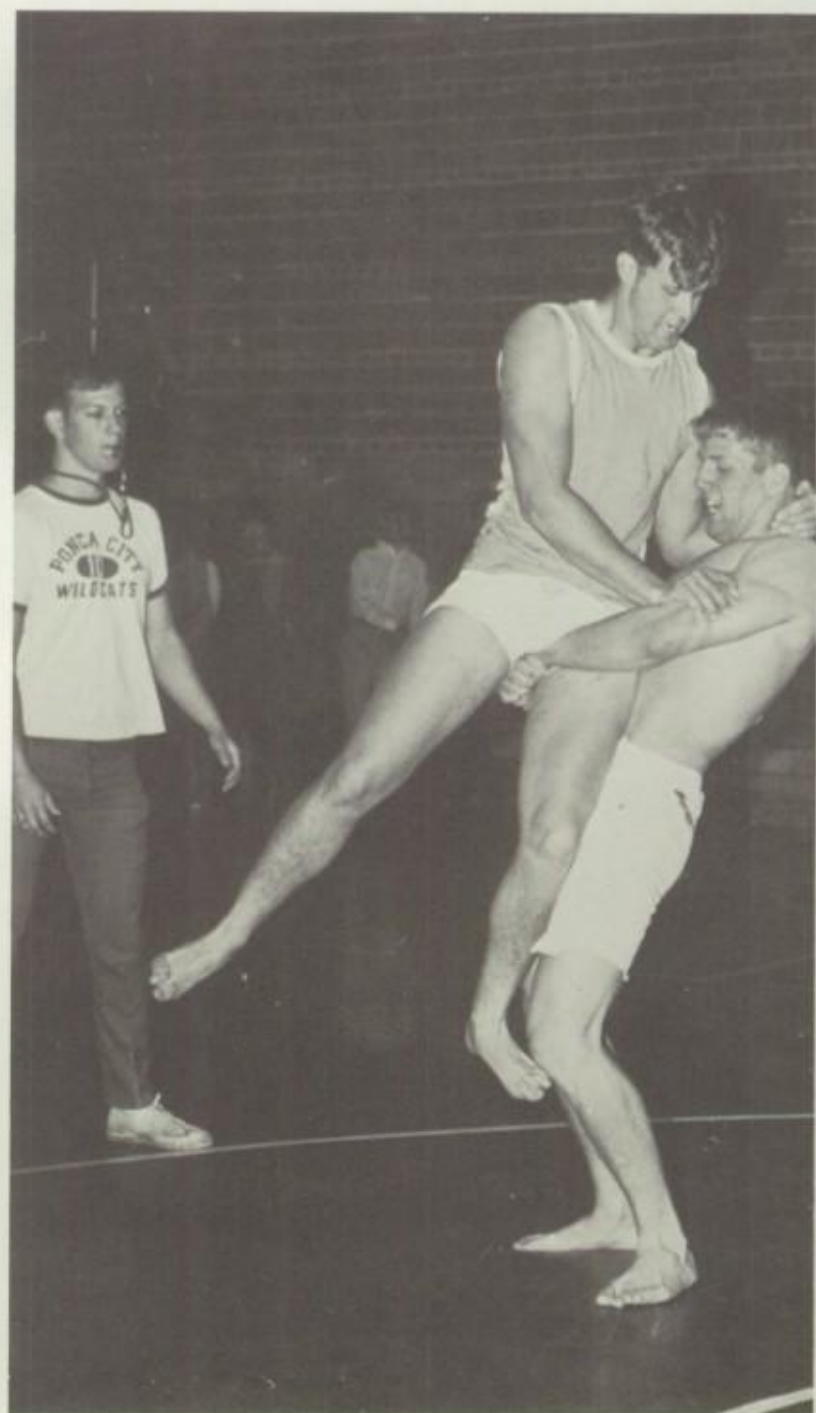

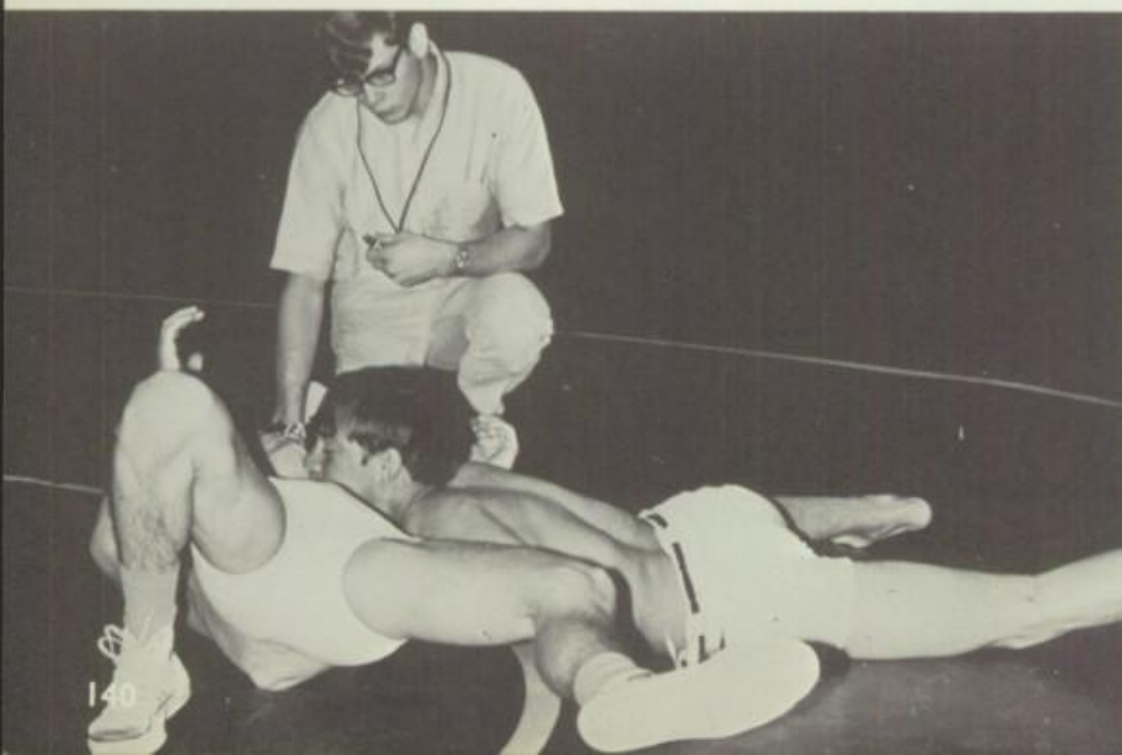

Mr. Ingersol's junior homeroom gives a "heave-ho" to win the school tug o' war championship.

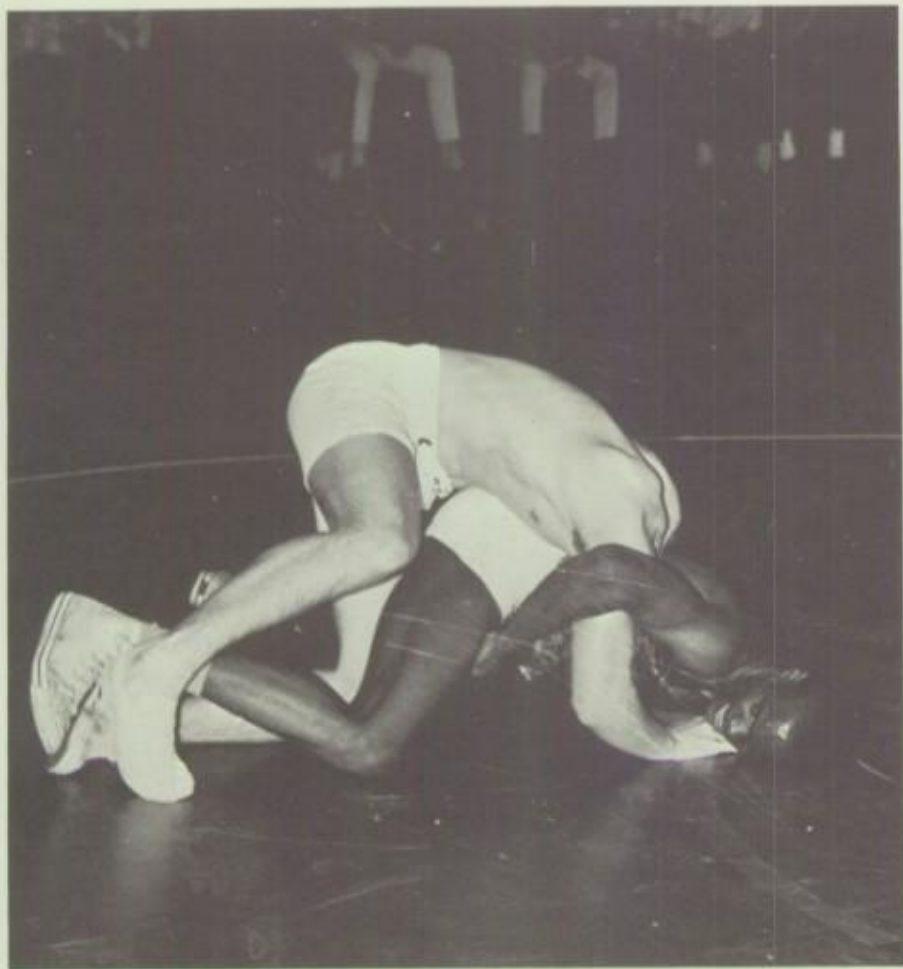

Po-Hi girls hustle to put the sack race in the bag.

Al Mathews shows why he was chosen the outstanding wrestler in the intramural tournament.

Senior Mark Driscoll gives his opponent a free ride in the heavy-weight competition.

Lee Armstrong fights to ride his adversary to become a three year wrestling champion.

Jo Corporan, a member of Mrs. Wittmer's jr. homeroom, gives a first place effort in the softball throw.

Homerooms Fight for Top Spot in Intramurals

Dick Coates takes another first place for Mr. Surber's homeroom, this time in the high jump.

Spirited competition was evident in the homeroom intramurals this year. Throughout the year homerooms were practicing before and after school during homeroom and lunch, and on weekends for the various intramural activities. Mr. Ingersol's junior homeroom was the winner of the wrestling tournament. The top point getter in the Wild-cat relays was Mr. Surber's homeroom.

Referee Steve Ealick is about to signal a fall in an intramural wrestling match.

Pat Frohreich, member of Surber's champion homeroom, gives Mrs. L. Martin's homeroom some of their own medicine.

Again this year the World Serious Volleyball Tournament provoked a great deal of enthusiasm among Po-Hi students. Teams from among the homerooms began practice in January for the double elimination tournament. The title was not decided until April when Mr. Surber's junior homeroom defeated Miss Bagby's seniors in a close game.

Bobby Jack awaits his chance as Steve Siler slaps a hard shot.

Vince Bonicelli shows his skill by placing second in the intramural ping pong tournament.

In the senior finals Steve Siler and Leslie Hurst do their best to block one another's spikes.

Volleyball, Wrestling Add to Po-Hi School Life

Pat Frohreich goes up for a spike as the members of Mrs. L. Martin's sophomore champions prepare to return.

Dreaming About the Future, Seniors Make Plans

A senior brings leadership and years of experience into Po-Hi. He has survived two years, but his senior year is most important. This is the final year before entering the adult world, and he wants to make the most of it.

He holds a place of leadership and strives for perfection. He attends honor programs, takes entrance examinations, and competes for scholarships. Each senior dreams about the future, and lays his foundation for success.

As a senior, he tried for achievement, which is his constant goal, for with it comes character and hope for the future. He dreams about the future, but still makes his plans. He is leaving one world to enter an even better one.

Senior class president, Eddie Eberhard, blindly chooses a lucky salesman as Alex Jacocks offers help.

Leading the Senior Class in ideas this year were: Phil Luis, vice-president; Mrs. Beaubien, class sponsor; Jaclyn DeJarnette, secretary; and Eddie Eberhard, president.

Jaclyn DeJarnette receives congratulations from Principal Robert Ford, upon obtaining a scholarship pin.

Besides being a leader of the school, Phil Luis displays his athletic skill in basketball.

Eddie Eberhard uses his head for new ideas to help the Senior Class.

Prom Planning, Tests Compose Junior Activities

Leading the Junior Class were: President, Daryl Hess; Vice-President, Phil Landauer; and Secretary, Donna Ashworth.

Mr. Ingersol and Daryl Hess share an apparently pleasing idea to junior sponsor Mrs. Mitchell.

Planning and testing were the two major activities which composed the junior year.

Traditional fund-raising for the prom was put into full swing with the Krazy Kat Carnival, and was extended through the Junior Play, bake sales, and working at Smitty's and Beranard's.

This year, as usual, the juniors were introduced to the beginning of college

testing. The first of these, the PSAT test, was given on November 14. The National Merit and SAT were also available.

Along with our other activities this was also the year to set and try to obtain our goals; but above all to train ourselves to become the leaders of Po-Hi.

Donna Ashworth converses with Danny Kimmel during the Panic.

Daryl Hess shows his winning dart form at Krazy Kat Carnival.

Phil Landauer draws the name of a lucky winner during the magazine sales campaign.

Sophomore Class Officers Active at Po-Hi

Attaining mental knowledge as well as adjusting socially to high school routine was the goal for the sophomore class. The class of 1970, consisting of about 650 students, was the largest sophomore class in the history of Po-Hi. At the beginning of the year, the annual Sophomore Mixer was held which gave the students from the two junior high schools a chance to get to know one another. By the time sophomore class elections came, the students were capable of making wise decisions. Chosen to lead this year's sophomores were: Joe McPherson, President; Bill McCormick, Vice President; and Glenda Jackson, Secretary. Under the guidance of Mrs. Martha Christensen, sponsor, and with the cooperation of the members, these officers served in leading and representing the sophomore class well.

Walking arm in arm at the Homecoming game are sophomore attendant Sue Loving and sophomore class President Joe McPherson.

Sophomore class Vice-President, Bill McCormick, crowns sophomore Dan Kimmel during a Pon-Dram-Panic skit.

Working together to make a great sophomore class are this year's Sophomore Class Officers and Mrs. Christensen, sophomore class sponsor.

Looking forward to two more years at Po-Hi are sophomore class officers: Glenda Jackson, Secretary; Bill McCormick, Vice-President; and Joe McPherson, President.

June Frantz and Glenda Jackson ring bells for Salvation Army as junior Bill White chips in.

STUDENT'S CREED

I believe in Ponca City High School
 and in the things for which she stands
 —health in body, honest work, gener-
 ous comradeship and reverence for the
 spiritual. I believe in achievement, and
 I pray for forcefulness to accomplish
 what I set out to do. I believe in loyal-
 ty to our school and to her traditions,
 and I pledge upon my honor to help in
 all her undertakings; in all that will
 make her a stronger and nobler school.

"PONCA CITY, WE LOVE YOU"

In dear old Oklahoma
 Fairest daughter of the West
 Stands our beloved high school
 In the city we love best;
 We chose the blue of western skies,
 The red from sunset's hue,
 Now, what could be more fitting
 Than our colors red and blue.
 Ponca City, we love you
 With your colors, red and blue,
 Ever loyal, faithful and true,
 To dear old Ponca, we love you.

and happenings continue . . .

The main objective of the 1968 *Cat Tale* has been to portray the student, his age, and his environment. A student now is no longer only in school to study, but to participate, to create, and to further his ideas. This year we think we have hit on some new and challenging ideas. However, without the help of certain persons and businesses this book could not have become reality. Therefore the 1968 *Cat Tale* staff wishes to express its deep appreciation to the following:

Mr. Bob Westmoreland . . . his creativity and expert photography

Mr. Robert E. Ford . . . his patience and benevolence

Mr. H. O. Phillips . . . putting up with "group" shots and the constant drizzle

The Po-Hi faculty . . . for their assistance in almost everything

The *Ponca City News* . . . extra pictures in the nick of time

Chris Conner, Barbara Endicott, Alex Jacobs, and Gary Theobald . . . those hot lights for hours on end

Mr. Homer Howe . . . his assistance with prom pictures

Mr. and Mrs. Jerry Carroll and Taylor Publishing Company . . . their understanding and expert guidance and help when certain problems emerged.

We thank all of the above for their assistance in producing a yearbook for all the students at Po-Hi.

Mr. Paul Ingersol . . . advisor
Sarah Hatfield . . . editor
